

TENNESSEE JUSTICE CENTER

RAISING THE BAR

For over 30 years, the Tennessee Justice Center (TJC) has been standing with vulnerable Tennessee families and helping them access basic necessities of life. Since opening our doors in 1996, TJC has used lawsuits, legislation and coalition building to overcome injustice, winning \$2 billion in health care and hundreds of millions in financial and nutrition assistance for Tennesseans. Aside from lawsuits, TJC helps assist seniors and other individuals with TennCare, SNAP and other public benefit programs.

HOW WE DO IT

FREE HELP

We provide **free direct services** with some public benefits enrollment or appeals issues with programs such as TennCare, SNAP, and WIC.

ADVOCACY

We provide **trainings and resources** to inform the community and advocates about how to navigate healthcare and nutrition programs. We also provide education on how we can improve and protect these programs.

LITIGATION

We identify & **fix legal issues** that prevent public programs from working as they should, ensuring that our health care system is fair and just for all.

HELP TJC RAISE THE BAR

Raising the Bar is a three-year pledge program for law firms. Support from law firms enables TJC to take on exclusively non-paying cases. These cases ensure that families across Tennessee, regardless of their station in life, have access to vital health care and nutrition.
