RESPOND YOUR WAY TO THE 2020 CENSUS.

By April 1, 2020, every home will receive an invitation to participate in the 2020 Census. You will have three options for responding. All of them are easy!

- **Mail**
- **Online**
- **Mobile**

The 2020 Census marks the first time you will be able to respond online, including your mobile device. The online form is available in many different languages. For more info, go to 2020census.gov.
YOUR RESPONSES ARE SAFE.

Your responses to the 2020 Census are **safe, secure and protected by federal law**. Your answers can only be used to produce statistics. These statistics are used to determine each state’s representation in Congress and to inform the allocation of more than $675 billion in federal funding annually. Local leaders may use the statistics to make decisions about programs and services for their community.

**No matter how you respond, your responses are important and confidential.** All Census Bureau staff take a lifetime oath to protect your personal information, and any violation comes with a penalty of up to $250,000 and/or up to 5 years in prison. By law, your responses and personal information cannot be shared with law enforcement agencies — not the FBI, ICE, or even local police.
